

**Subject: Owners' Handbook 2024 Updates**

December 30, 2024

Enclosed is a document containing the sections of the Owners' Handbook that have been updated in 2024. These updates will be posted on our website, under a separate tab.

As progress is made with the handbook updates, you will be advised and the website will be updated.

True to an environmentally aware building, these updates will not be printed for distribution. Should you wish to receive a paper copy, contact the Front Desk. Pierre and Nick will be pleased to make copies for you.
