

# RIVERSIDE GATE SHARED FACILITIES COMMUNIQUE

Dear Owners and Tenants of RG1 and RG2

**Re: Pickle Ball**

In August of 2023 we had advised that Pickle Ball was creating too much noise and to ensure the quiet enjoyment of all neighbors we had implemented a rule that Pickle Ball could only be played Monday through Friday 8 am to 5 pm.

After monitoring this for over a month we have received many communications that Pickle Ball players that work full time are not able to play due to the time restraints; no evenings or weekends.

Therefore, the Boards have agreed to change the rule now to allow Pickle Ball to be played 7 days a week from 8 am to 5 pm, thus allowing weekend pickle ball. This change will take effect immediately.

As a reminder, both courts are still reserved for tennis between 9:00am and 10:00am as per the existing rules.

We hope this is an understandable compromise for all parties.

Sincerely,  
Kimberly Renwick  
Property Manager for RGSE
